PROJECTS

The Office Quiz | <https://github.com/chickengong/TheOfficeQuiz> | <https://chickengong.github.io/TheOfficeQuiz/>

- A fun little quiz i created where you can test your office trivia
- I created this project solely by myself during my bootcamp course.
- Javascript, HTML, CSS

Weather Dashboard | <https://github.com/chickengong/Weather-Dashboard> | <https://chickengong.github.io/Weather-Dashboard/>

- A Simple weather dashboard i created that allows you to insert city state and country and get the weather for that area
- I created this project based on the openweathermap API through my bootcamp course
- Javascript, HTML, CSS, API

Quip-Spot | <https://github.com/chickengong/project-1-kool-cats-1> | <https://chickengong.github.io/project-1-kool-cats-1/>

- My first collaborative project which is a workout app that lets you reserve equipment in a gym via your phone so you don't have to wait till its available.
- This was a group project in which we used a unique API to link spotify to our app
- Bulma Javascript, HTML, Bulma CSS, jQuery, API

EXPERIENCE

Data Entry Clerk
Ogletree Deakins

2022 – 2022
Austin, TX

At this Job I work in a collaborative environment to make sure data is entered in a precise manner while also quality checking other data entry clerks to make sure everything is being done correctly including names, closing approvals, sorting and delivery of mail. I created a process that saves the company time and money by entering the data in a way that made the search queries easier to read and understand.

Key Accomplishments:

- Started out as a temp worker when I moved to Texas but was offered a full time position based on my merits.
- Worked as the sole data entry clerk for a period of 2 months which saved the company the salary of 3 other clerks.

**Graphic Design Intern
The 7th Magazine**

2022 – 2022
Austin, TX

Devised and updated customers' branding logos, social media graphics, and print materials. Retouched and manipulated images to meet professional standards. Designed clear, engaging graphic communications for print and online use. Assisted project team by compiling the documentation and creative assets.

Key Accomplishments:

- Completed all of my projects 100% on time during a strict 3 month long event
- Achieved a letter of recommendation from the program manager that outlined my hard work and dedication to the project.

**Digital Media Marketing Manager
Ready Fleet**

2016– 2020
Kansas City, KS

Enhanced designs, color choices, and slogans for product materials. Collaborated with developers, advertisers, and production managers to accomplish marketing objectives for the website. Captured new customers using creative and fresh approaches. Considered each team member's unique talents when assigning tasks and projects to maximize success for employees and the overall team.

Key Accomplishments:

- Built the digital media program from the ground up, Including the company website, Facebook profile, Instagram profile and twitter profile.
- Obtained a letter of recommendation from the company CEO that outlines my Collaborative abilities as well as my dedication to get the job done no matter the circumstances.
